

AEP 2010 WORKSHOP NOTICE

2010 Residential Standard Offer Program (RSOP) and 2010 Hard to Reach Standard Offer Program (HTR SOP)

AEP has made revisions to the RES and HTR SOPs for 2010. A workshop to describe the programs and changes for 2010 will be held **October 21, 2009** in Corpus Christi. To attend the workshop, please complete the attached reservation form and return it to AEP. Workshop attendance is not required prior to submitting an application; however, due to the program changes for 2010, applicants are advised to attend the workshop or review the updated program manual on the program website before submitting an application. A copy of the workshop presentation will also be available.

AEP's standard offer programs pay incentives to energy efficiency service providers for installations of qualifying energy efficiency measures. The SOPs are open to a wide range of energy efficiency service providers, including the following:

- Electrical contractors
- Lighting companies
- HVAC contractors and dealers
- Plumbers
- Insulation contractors
- Community Action Agencies

Applications will be reviewed on a first-come, first-served basis. Information on all of the AEP Standard Offer Programs can be viewed at www.aepefficiency.com. A copy of the workshop presentation will be available on the website.
